

For over a decade Rebekah has professionally established herself as an author, designer and artist in both the craft and quilt industries. Her designs have been featured in numerous publications, and she writes project columns in both "*Create and Decorate*" and "*Crafts 'n Things*" magazines. She is the author and contributor to several books ranging from paper crafting and scrapbooking to wedding projects. With a love of fiber and collage she has combined both together in creating the just released book, ***Fabric Art Collage 40+ Mixed Media Techniques***.
